Missouri Voters Have Received 500,-

Missouri Voters Have Received 500,000 Pieces and More is Ordered.

Chairman Seibert of the Democratic State Committee yesterday received a telegram from Chairman Jones of the National Committee, at Chicago, informing him that a consignment of 25,000 pieces of Democratic campaign literature is on the way here, and may be expected to-day or to-morrow. This telegram is in response to an urgent request sent by Chairman Seibert for campaign documents to meet the requirements of the State organization.

The demand throughout the State for Democratic literature of this kind has been unprecedented in the history of the party. At the opening of the campaign the State Committee had at its disposal upward of 50,000 pieces of literature of every description, a supply which, it was confidently expected, would last until nearly the end of September, at least. This was disseminated through the State by the Literary Bureau through the State by the Literary Bureau through the sual channels, but so thorough has been the work of organization of the Democratic party in the State, and so vigorous and systematic has been the distribution, that a week ago Chairman Seibert received a distinct but agreeable shock when the managers of the bureau made a peremptory demand for another half-million supply. Inquiry elicited the informatic, a that the voters in the interior had ravenously disposed of the first installment and were besieging the chairmen of their respective districts, clamoring for more documents of a similar nature.

"We have been most agreeably surprised," said Chairman Seibert yesterday, "at the extraordinary demand for Democratic campaign and are determined to inform the information which has come to me that the Democraty demand for Democratic documents from men who have voted the Republican itsues. From county chairmen in every section of the State come reports of a growing demand for Democratic decarding to this gail, and who want to learn what benefits the party holds out to them. It is partly to this growing defectio 000 Pieces and More Is Ordered.

VISITORS AT HEADQUARTERS. R. English of Miller County Tells of Bright Democratic Prospects. Senator Frank Farris of Crawford County and S. R. English, chairman of the Miller County Central Committee, were visitors at Democratic State headquarters yesterday. Miller County is a Republican stronghold, but Chairman English says he has the greatest hopes of materially reducing the Republican vote this fall.

"We have nominated a good, strong clean ticket in our county," he said; "one that commands the respect even of the opposition, and, with the aid of the clean, conservative Republicans who have promised their support, and the effectiveness of our county organization, I look to take a hig silce out of the Republican majority this election."

Among the other visitors were G. Tom King of Callaway County, W. R., Edgar of Iron County, J. N. Holmes and Judge S. A. Lee of Wayne County and Burt Gardner Ize of Wayne Country
of Aurora.
Senator Culberson and Joe Bailey of Texas are billed to speak at various points in
Missouri some time between October 1 and
Iš. Senator Berry of Arkansas will also be
heard during the same period.

VOTERS REGISTER IN THRONGS. announcement by Election Commis

sloners Accelerates the Work.

The announcement that the Board of Election Commissioners had decided to close the primary registration list Saturday has had the effect of increasing the daily enrollment of voters. Yesterday the resistration was larger than it was Tuesday, and Tuesday's record was the largest since the registration commenced. More than 2,600 names were entered yesterday.

The main offices of the Board of Election Commissioners are located in the west corridor of the new City Hall, on the first floor. Twenty deputies are regularly employed in enrolling the names of voters. The offices are open from 9 in the morning until 5 in the afternoon. After 5 o'clock yesterday afternoon more than twenty persons called to register, and were seemingly disappointed because the offices were closed. For this reason the hours for registration and the location of the offices are again stated.

Voters who desire to vote in the primaries sioners Accelerates the Work.

stated.

Voters who desire to vote in the primaries next month should be sure of their vote by registering not later than Saturday, as no one can vote at the primaries whose name does not appear on the primary lists of either party, or on the new registration books. The best plan is to call at the City Hall and registor; then there will be no question as to the right to vote, either at the primaries or at the regular election.

MERCHANTS' LEAGUE'S PLAN. Louis Republican Club.

Well-Laid Scheme to Capture the St.
Louis Republican Club.

With the rapid growth of the St. Louis Republican Club, the antipathy of this "silk-stocking" organization, which holds forth on Vandeventer avenue, for the Merchants' League Club is disappearing. The officers of the St. Louis Republican Club are energetic in their efforts to place fiames on the roll of membership. This has resulted in such a rapid growth that the bars regarding qualification have been partly let down. Any one who has a member to vouch for him is taken into the organization. The result is gratifying to the promoters of the club, while the power behind the Merchants' League Club is laughing in its sleeve. If the admissions continue as rapidly in the next month as they have in the last, the Merchants' League Club will have extended its influence over its hated rival. A plot is on foot to capture the St. Louis Republican Club. The work has been done so quietly that the St. Louis Republican Club officers have not been aware of the intentions. The club has absorbed a number of influential workers in the Merchants' League Club who threaten the aristocratic organization's lease of life.

ST. LOUIS AND HANNIBAL.

teport That Kerens Is Indifferent to The Republican State Committee has been The Republican State Committee has been reduced to such desperate straits that the celebrated "Peace Committee" appointed at Philadelphia has been called in for a conference. This committee, which is composed of Judge Shirk of Sedalia, Charles G. Burton of Nevada and Senator Schwelckardt of St. Louis, was authorized to keep tab on the doings of Chairman Akins and National Committeeman Kerens, Yesterday Shirk and Schwelckardt were closeted with Chairman Akins at Republican headquarters. Mr. Burton sent a letter instead of coming down himself. The conditions which prevalled prior to the Philadelphia convention between Akins and Kerens have been rapidly accentuated within the last two weeks, and, in order to get out as large a vote as possible, Mr. Akins has been forced to call in the "Peace Committee" that it may look into affairs. Mr. Kerens is openly showing his indifference to the campaign in Missouri. It has resulted in a vast amount of hard feeling among the candidates and their friends. They charge that Kerens is openly attempting to discourage the efforts of the State Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignoring every appeal for help made to the National Committee, and in order to do so he is ignorin educed to such desperate straits that the

NO FUNDS FOR SEWER WORK. Appropriation Will Fall Short-Menace to Health.

Although Sewer Commissioner Hermann has discharged more than 160 workmen in his department and has done all he could to reduce expenses, there is now every prospect that the appropriation made by the Municipal Assembly will come far short of the sum needed to carry on the necessary sewer cleaning and repairing work.

Five months of the fiscal year have elapsed and \$38,000 have been expended in work that is absolutely essential for the

health of the city. There remains only as 124,500 to carry on this work in the next seven months. The monthly expense bill, for labor and carrs, has averaged, at the lowest, about \$7,000 per month, in order to lowest, about \$7,000 per month in order to lowest, about \$7,000 per month in order to lowest, about \$7,000 per month in order to lowest.

heless proceeded to act pleadings. There are 400 m pleadings. There are 400 miles of sewes, and only forty laborers to clean them, while the workmen have no more than twelve carts at their disposal. Mr. Hermann said in an interview, recently published in The Re-public, that public health would be menaced by the refuse and decaying animal matter which are washed into the sewers after each rain if something be not done to enable him to employ a sufficient force to clean the sewers.

the severs.

The discharge of the street-eleming force, also because the Municipal Assembly failed to appropriate funds for that work reacts against the Sawer Department. Now that the streets are not cleaned regularly the refuse and decaying substances which collect on them are washed into the sewers.
